

Request for Buddy Draw

Buddy Draw Request

A buddy request is ONLY for draw players whereby two players in the same league AND both in the draw can be drawn together to the same team. Buddy requests have no bearing on protected players. If a coach wants to protect two buddies, that equals two protected players allowing the coach no more protected players. BOTH players must submit a buddy request for each other to be valid. Players are allowed only ONE buddy request per season. Deadline for submission is November 12, 2018.
